Grand and light-filled, this spacious two-story home sits at the end of a cul-de-sac in a welcoming neighborhood. Cathedral windows illuminate the formal living and dining rooms, enhanced by vaulted ceilings and warm wood accents. The kitchen features granite counters, oak hardwood floors, an island, stainless steel appliances, instant hot water, and a large garden window. A breakfast nook connects seamlessly to the inviting family room with custom trim and a wood-burning fireplace that can be converted to gas. Main-floor highlights include a slate entry, solid-core doors, a half bath, and a well-appointed laundry room with abundant storage. Upstairs, a striking spindled staircase and balcony lead to four bedrooms, including a generous primary suite with a skylight, soaking tub, heated floors, double sinks, and a walk-in closet. Additional upgrades include a gas furnace, tankless hot water, and a Culligan water softener. Enjoy the outdoors on the large stone patio and a low-maintenance backyard with storage shed. Community park, easy freeway access, and close to restaurants, shopping, and more.
